Brief CV

Professor Cheri Deal, PhD, MD, FRCPC recently retired from her position as the Chief of Endocrinology and Diabetes and tenured Full Professor at the Sainte-Justine Mother-Child University of Montreal Hospital, where she has worked since 1992. Dr. Deal continues on for her teaching, research and out-patient clinical activities. She has trained over 50 fellows and residents, and has over 150 publications, including co-editorship of the book Maternal-Fetal and Neonatal Endocrinology, in 2019. Dr Deal has completed mandates as the President of the Canadian Society of Endocrinology and Metabolism (CSEM), as Council Member for the Growth Hormone Research Society, as the Training Director for the Royal College program in Pediatric Endocrinology and Diabetes for the University of Montreal, and as site leader for the pan-Canadian Child Health Clinical Scientist Training Program (CCHCSP) for many years; she currently sits on the Education Committee of the Council of the International Society of Endocrinology.
