Louise Baur holds the Chair of Child & Adolescent Health at the University of Sydney. She is also a senior consultant paediatrician at the Sydney Children's Hospitals Network where she is an active member – and former Head - of Weight Management Services, a multidisciplinary clinical service for children and adolescents affected by moderate to severe obesity.

Louise Baur has made research contributions to the management of obesity and related disorders in a variety of clinical settings; the complications of obesity; the prevention of obesity, especially in early childhood; and to the responses of health systems to obesity. She is Director of the Australian NHMRC Centre of Research Excellence in the Early Prevention of Obesity in Childhood.

Louise is President-Elect of the World Obesity Federation. She is a Founding Fellow of the Australian Academy of Health & Medical Sciences. In 2010 Louise was made a Member of the Order of Australia (AM) for service to medicine and to the community.
