Brief CV

Dato' Dr. Musa Mohd Nordin (MMBCh, MRCP, FRCP, FAMM, FRCPCH)

Consultant Paediatrician & Neonatologist, KPJ Damansara Specialist Hospital

A 1982 graduate of Cardiff University (UK), he is a consultant paediatrician and neonatologist at Damansara Specialist Hospital. He is a Clinical Professor of Paediatrics at the KPJ International University College. Since 1999, he has served on various international advisory boards related to vaccines & immunisation.

He is a founding member of the Asian Strategic Alliance on the Prevention of Pneumococcal Disease (ASAP) and Immunise4Life. He is chief-editor of FIMA Yearbook and sits on the advisory boards of MIMS Paediatrics and International Journal of Human & Health Sciences. His latest book "Immunisation Controversies – What you really need to know" has been translated into 4 languages.
