Brief CV

Ron Dagan is a Distinguished Professor of Pediatrics and Infectious Diseases at the Ben-Gurion University of the Negev, Beer-Sheva, Israel. He founded the Pediatric Infectious Disease Unit at the Department of Pediatrics, Soroka University Medical Center in Beer-Sheva. His research focuses on vaccine-preventable diseases, with emphasis on pneumococcal vaccines, and respiratory infections and otitis media in children. Besides that, Professor Dagan's many achievements include being the Founding Member of the World Society of Pediatric Infectious Diseases and President from 2006 to 2009, and the President of the European Society for Paediatric Infectious Diseases from 2004 to 2006.
