E-mail: mohimois@ukm.edu.my

Mohd Hisham Isa is a senior lecturer & Emergency Physician at the Department of Emergency Medicine, University Kebangsaan Malaysia since 2016. He received a degree in Doctor of Medicine from University Science of Malaysia in 2005. He earned his Doctoral in Emergency Medicine from Universiti Kebangsaan Malaysia in 2016.

He completed his internship at Hospital Alor Setar, Kedah in 2007 after his degree. He then expanded his career as a medical officer in various government hospitals in Baling, Kedah, and Ampang, Selangor. He was posted to Hospital Putrajaya in 2016 as an Emergency Physician after he obtained his doctoral in Emergency Medicine.

His research career began when he joined University Kebangsaan Malaysia in 2016 as a lecturer. His research interests focus on three significant areas in emergency medicine which are Clinical Simulation, Disaster Medicine, and Pre-Hospital Care. He currently serves as an EXCO of the Malaysian Society for Simulation in Healthcare.
